Dear Jacquie,

Thank you so much for all that Bulldog scrap metal collected for the families affected in the recent floods. It was heart breaking seeing families who had lost loved ones and everything they owned. With your donations we were able to help so many families. A few schools contacted us as many of the school children's families were affected and we were also able to help through the schools.

Thank you so much for your kindness and bringing them down to CAST.

Kind regards
